Keep in a secure place to protect patient confidentiality

SUMATRIPTAN AND NARATRIPTAN PREGNANCY REGISTRY PATIENT LOG

Call the Registry Office for Patient ID Numbers
800-336-2176 or 910-256-0549 (phone)
800-800-1052 or 910-256-0637 (fax)

In an effort to assure patient confidentiality and anonymity, identifiers (e.g., initials, chart number, date of birth) on patients enrolled in the Registry is not collected. The number we use to refer to your patient for further follow-up on the outcome of this pregnancy is a Patient (Log) ID number.

This log is provided for your convenience. You may want to use this form to track your Registry patients and to easily cross-reference the Sumatriptan/Naratriptan Registry Patient (Log) ID number with your patient.

THIS LOG IS FOR YOUR USE ONLY, DO NOT RETURN THIS TO THE REGISTRY
FOR QUICK REFERENCE, KEEP SEPARATE FROM PATIENT'S CHART

Please call the Registry Office at 1-800-336-2176 if you have questions.

Patient **(Log)** ID *assigned by the Registry*	Suggested information to use to reference this patient when Registry follow-up is necessary			
	Patient Name	Chart number	EDD	Date Registry form completed
00001	***Jane Doe***	***123656***	***1 Jul 2005***	***15 Jan 2005***
